For today's program, we celebrated GRADUATE DAY, a longstanding tradition of 49 years where our club congratulates and honors our grade school, middle school, high school, and college students who are graduating and moving on to the next chapter of their lives. We also awarded 5 UA Rotary scholarships to very well deserving High School Students.

Andy Livingston announced that the club has created a new scholarship in Alan Yarletts' name to honor him for his many many years of incredible work with the Rotary Interact program. Congratulations to Alan on this very well deserved award, and thank you for all your important service and hard work over the years!!!

Brent Jackson announced the 4 Community Service Scholarship Award winners, all incredible Upper Arlington High School seniors who we have recognized for their incredible dedication and contributions to our community.

Celia Crossley and Alan Yarletts announced the Alan Yarletts Interact Service Scholarship Award winner.

Bill Hosket invited Rotary members to come to the podium to introduce their students and share some background on their accomplishments and future plans.
