Andy Geistfeld introduced today's speaker, **Dr. Robert Hunt**, Superintendent of Upper Arlington Schools. Dr. Hunt provided updates on UA Schools' Mission and Values, and also shared updates about his experiences and progress as the new UA Superintendent.

When the board hired Dr. Hunt, they conveyed to him how important relationships, traditions, and history are at Upper Arlington. Due to administrative turnover, Dr. Hunt has been able to make a variety of new hires and restructure key positions to better realign with the prevailing changes in education. Dr. Hunt has been impressed with the unique culture and personalities of each Upper Arlington school, and has embraced the challenge of balancing consistency while appreciating individual culture. Dr. Hunt shared his observations on some of the things that make Upper Arlington Schools unique compared with the other school systems he has served as superintendent. Among the greatest attributes Dr. Hunt has noticed is the sense of pride within the Upper Arlington Community.

Dr. Hunt reflected on the ways the student population has changed due to COVID-19 and advancing technology. The challenge today is to develop each student's interpersonal skills while also continuing to develop important knowledge and technical skills.

Dr. Hunt answered several questions from Rotarians, and the meeting was adjourned by Andy Livingston. Thank you Dr. Hunt for sharing your perspectives with our Club, we appreciate your great service to the Upper Arlington community.
