Wayne Harer introduced today's speaker **Linda Logan**, CEO & President, Greater Columbus Sports Commission. Since 2002, the Commission has been bringing major sports events, sports fans, and sports participants to Columbus. Its objectives are to improve the quality of life of people that call Columbus home, raise the profile of Columbus as a sports city, impact the people and economy in Central Ohio, and promote the love of the game. "Sports Tourism" best describes what sports commissions do.

The work done by the Commission elevates the image of Columbus, and has a significant impact on the local economy. Restaurants, hotels, attractions, shops, and transportation are all among the business groups that benefit. Through the Commission, Columbus has hosted some of the best women's events in the country. Since its inception, the Commission (along with other community partners) has brought in over 600 events, amounting to over \$500 million in economic benefits to Columbus. Thank you, Linda, for all your great work you and your team do for our community.
